

Declaration of Conformity of fulfilment of Comunitary Directives

TÉCNICA DE CONEXIONES, S.A. "TEKOX"
Parque Tecnológico de Asturias - 33428 Llanera (Asturias) España

Declares under its responsibility that the products

Terminal strips and Blocks

To which this declaration refers, are in conformity with the following standards or normative documents:

⌚ **Directive WEEE (RAEE), 2002/96 CE of 27th January 2003.**
on waste electrical and electronic equipment.

⌚ **Directive RoHS (RUSP), 2002/95 CE 27th January 2003**
And its modification
2005/618/CE, 18th August 2005
and its subsequent sentence of the European Justice Court of the 1st April 2008
and its modification 2011/65/UE, 8th June 2011

on the restriction of the use of certain hazardous substances in electrical and electronic equipment

Following the prescriptions of the Directive, the terminal strips of the types indicated, manufactured in our facilities, **DO NOT CONTAIN** products included in section 1 of the article 4 of the aforesaid Directive, except for lead, which **DOES NOT EXCEED 4%** of Lead in weight, as element of copper alloy (brass) for the manufacture of the terminals, according to section 6 of the attached document.

The isolating material used for the manufacture of carcasses is **halogen-free**. It does not contain halogen components neither in its formulation nor in the manufacture process; it does not release any kind of gas halogenated by combustion or thermic decomposition. Likewise, this isolating material does not include in its chemical formulation the components that are detailed next: **Phosphorous, Lead, Cadmium, Mercury, PBB, PBDE neither Chromium VI.**
